APPOINTMENTS, ORDINANCES, HOLIDAY, PROPERTY SALE & MEETING DATE DISCUSSED

## Elba City Council's meeting routine

By Fern Cox, Publisher

The Elba City Council meeting was over Monday evening in less than one hour. Business covered included board appointments, addressing two ordinances, declaring an additional holiday for employees, changing the date of the next council meeting, agreeing to sell some surplus property and approving a motion on the All Star Sports matter.

Lloyd Driggers was appointed to a two-year term on the FEMA E-911 board. Mayor James Grimes announced the re-appointment of Wilson Dyess to the Elba Housing Authority.

The council approved an indefinite extension to the one-cent sales tax passed in 1994. The tax will continue to be divided with the Elba School System. The division will be on a 50-50 basis.

School Superintendent Charles Pearce was present and responded to questions about the benefits the school derives from the tax.

He noted a \$201,000 cut in state funding from last year and said, "Without these (city) funds, we couldn't make our budget at all." He added that the schools were in decent financial shape now, but without the extra help, the teacher unit funded by the sales tax would definitely be in jeopardy. The school's portion of the tax is expected to continue at about \$120,000 a year.

An ordinance prohibiting the connecting of any utilities to any facility without the proper building permits, etc., was introduced. It will be considered at the next council meeting.

City employees get an extra holiday after council members voted to declare the Friday after Thanksgiving as a city holiday. Grimes said it would give employees more time

with their families.

The long, lingering issue of All Star Sports was again on the agenda. Fred Smith, Jr. said he didn't ask to be considered again, but accepted an offer to address the council.

Smith gave council members and the press copies of an agreement he said had been prepared by the city attorney and given to him by Mayor Grimes.

The agreement was for the city to pay All Star \$7,000 and they agree there was no more claims under the lease agreement.

Smith said he, his brother David and Grimes had agreed on the latest offer and now the mayor was changing his mind.

Grimes then spoke up and said: "Several proposals have been made to David Smith and All Star Sports. Some were not acceptable by All Star Sports and some were not acceptable by the City. The two parties involved have failed to reach a mutual agreement."

"I had a meeting with our city attorney last week regarding All Star Sports. I have a recommendation from that meeting to the City Council."

"Based on the advice of City Attorney Jeff Kelley, I recommend the City of Elba abide by the original lease agreement with David Smith of All Star Sports. If David Smith of All Star Sports wants to pursue any other avenues pertaining to the original lease, that all future discussions be with the city attorney."

A motion to that effect was made by council member John W. Sharpless and seconded by Council member Harold Bannin. It passed unanimously without any further discussion.

Several storage trailers and/or buildings behind the old jail were declared surplus and will be sold by sealed bids to the highest bidder.

Police Chief R. W. Whitworth reported on the status of the police car fleet of seven vehicles and the preparation of a new policy and procedure manual.

Whitworth also reported the hiring of former Elba police officer Dean Blair to serve as the DARE officer at the Elba schools. Blair is presently serving as Chief of the Brantley Police Department. He will begin his duties in Elba on November 1st.

A report was presented by City Clerk Donnie Morrow on the cost of paving Teresa Street, Cedar Lane Drive and Winston Street.

Paving with 1" asphalt on Winston St. would cost \$7,155 and the curbing of this street would cost \$1,807.80.

Teresa Street would cost \$4,360 to pave and \$1,319 to curb.

Cedar Lane Drive, the longest of the three at 1,752 feet, would cost \$12,527 to pave.

Morrow noted that the water main on Teresa Street was only 4" main with some 2" lines. He said water pressure in this area is not acceptable. The clerk asked paving be delayed until this could be considered by the Water and Electric Board.

Council member Wenzel Gray asked for a status report on the ditch

in front of Ellison Barber Shop. He also asked about the West Street project. "I walked this with the mayor and it is plain that this incomplete project has been going on for at least six months. The pipe is just lying around and the ditch is dangerous for the children."

Morrow reported the first problem would be fixed right away. He agreed to examine the West St. problem and give a definite date for completing the work.

The next meeting of the city council was changed from November 11th to Tuesday, November 12th to avoid meeting on the Veterans Day holiday.

## Present county commission holds final meeting

by Marvin McLwain, Editor

The present members of the Coffee County Commission held their final meeting (barring a special called meeting) Monday morning.

As has been the case for several meetings, commissioners moved smoothly through their agenda conducting mostly routine business.

The awarding of the bid for mulch, carried over from the prior meeting, was the first order of business.

Jon-Hill Construction Company of Hendersville, TN will supply the 100% recycled paper mulch at 14¢ per pound. Universal Feed & Supply located in Birmingham, AL was low bidder on wood fiber mulch and combination wood/paper mulch at .1524¢ and .1464¢ per pound respectively.

Commissioners approved the purchase of a re-conditioned patrol car with a police package for the sheriff's department.

Coffee County Sheriff Ben Moates reviewed the bids received and recommended the purchase of a 1994 Chevrolet Caprice from Blue Streak Motors in Lexington, KY.

The car, which has 64,000 miles on it, was purchased for \$11,600.00 and will be delivered in about two weeks.

The commission had budgeted \$42,000 for additional vehicles for the sheriff's department. The sheriff

has already purchased a 1993 Chevrolet Caprice from state surplus lot at a cost of \$8,000, and ordered a 1996 Ford on state bid.

Sheriff Moates, by purchasing the cars in this manner, stated that he was able to add three fully equipped vehicles to his fleet without going over budget.

Other good news for the sheriff's department was the receipt of a \$4,600 Church-Arson Grant from the U. S. Justice Department.

According to the sheriff, these funds, along with matching funds from the county's Emergency Management Agency, will be used to purchase a new repeater (used in radio communications) to replace the present out-dated one.

Recent burning of churches has prompted the Justice Department to make funds available in assisting local law enforcement in preventing or solving cases in which churches have been destroyed by fire.

At the close of the general business session, the outgoing commissioners expressed their appreciation of having had the opportunity to serve the people of Coffee County.

Commissioners Wendell Blair, Randy Lunsford and Jack Hanson were defeated in their bid for reelection. Commissioners Bill Faulk and Lawrence Creel both decided not to seek re-election.

Commission Chairman Robert Stephens commented, "I appreciated

serving with these commissioners. I've represented their districts real well."

"I think everyone of them had the county and the citizens of their communities at heart."

He said that he would miss them all but would especially miss Commissioner Faulk since he had served with him longer.

The only two commissioners who will be returning are Commission Chairman Stephens representing District 3 and Commissioner Ernest Brooks representing District 5.

Also, Linda Westbrook has already been elected to serve the people of District 1. The remaining commissioners from Districts 2, 4, 6 and 7 are yet to be decided upon. That will be done in Tuesday's election (November 5).

Faulk has served on the commission for the past 12 years. Prior to being elected to the commission, he had worked with the Soil Conservation Service for 30 years.

As I reminisce, the one thing I am proud of, I see Coffee County as a more united county now than it has been since I've been a part of Coffee County," said Faulk.

"The future of Coffee County looks great!" he said. "I feel that we are going to have some good people on the commission. I think we'll be leaving it in good hands."

"I feel like they are coming into the best situation that any county

commission has ever come into."

Faulk noted that one of the major contributions that has been made is the fact that the county has come fully under the unit system in the highway department.

Other matters of business addressed by the commission were as follows:

\*\*\*Approved a change order pertaining to the window-replacement project at the Elba Courthouse. The order called for the installation of solar screens on the windows and some additional aluminum flashing at an estimated cost of \$1,561.00.

## Adam Cecil Davis arraigned on murder charge

by Marvin McLwain, Editor

On Tuesday, October 22, Adam Cecil Davis, age 18, of Opp, AL was arraigned on the charge of murder.

Davis was charged with the murder of Amber Spinks in connection with an automobile accident on June 30, 1996.

On October 8, Davis' petition for youthful offender status was denied. Youthful offender status is available to individuals between the ages of 18 and 21 who have been charged with a felony or certain misdemeanors. Punishment for the crime is not as harsh under YO status.

Each petition is granted, or not granted, on a case-by-case basis by the court after consideration of the nature of the crime, the individual's record, the interest of the public and the interest of the individual, in addition to the probation officer's report and testimony given during a hearing.

Should Davis be convicted on the murder charge, he faces from ten years to life in prison. No trial date has been set at this time.

## NEWS BRIEF

The residence of Clanton M. Swift was totally destroyed by fire late Monday afternoon.

Fire units from the Five Star Volunteer Fire Department were dispatched to the residence located on Co. Rd. 215 in the Victoria Community at 5:15 p.m. Firemen were unable to get close to the fire immediately due to exploding ammunition and powder. Reportedly, Swift reloaded his own ammunition and had a large quantity of supplies used in the process. Units from the Zion Chapel Volunteer Fire Department assisted Five Star in bringing the blaze under control. The cause of the fire has not been determined at this time.

Police Chief R. W. Whitworth reported on the status of the police car fleet of seven vehicles and the preparation of a new policy and procedure manual.

## Christmas Festival set for Nov. 30

The time has come for preparation of Elba's ninth annual Christmas Festival and Parade. It is planned to be the biggest and best one ever. Everyone is invited to join in and really make this "A Magical Christmas" for all.

The theme this year is "A Magical Christmas", and organizers plan to transform Elba into a truly magical Christmas city by decorating the town square with thousands of lights. All interested citizens are asked to help in this undertaking.

The Christmas Festival will be held on Saturday, November 30, beginning at 9:00 a.m. The town square will become an outdoor market place with all kinds of arts and crafts, foods, activities, entertainment, and fun, fun, fun! Everyone is invited to come browse and buy Christmas decorations, gifts, and other interesting items.

For the children, there will be supervised activities in the library, as well as fun things to do around the square. The Senior Girl Scout Troop will be coordinating and supervising the activities. Santa Claus will also be available for pictures with children young and old at the gazebo.

Throughout the day, free entertainment is planned from singing and dancing to comedians and even a hand-bell choir. Some of the talented people on the program include

Majesty, Senior Strutters, Classic Country Cloggers, Westside Children's Choir, First Baptist Hand-Bell Choir, and Elba's own Jeff Foxworthy/Hunter White and many more.

At 11:00 a.m., the Miss Christmas Pageant will be held on the square. This pageant is open to all girls from grades K-3, 4-6, 7-9, 10-12. For information about the pageant call Starla Amison at 897-6969 or Kim Lowery at 897-3406.

At 5:00 p.m., the City of Elba will be transformed into a magical fairyland when the Courthouse Square is illuminated with thousands of Christmas lights. This will signal the start of the parade.

Part of the magic of Christmas is sharing with others. In keeping with this belief, the first float in the parade will be a community float bearing the theme "A Magical Christmas". Each person planning to watch the parade is asked to bring some item (food, toys, clothing, etc.) to place on the float as it passes by. The items collected will be given to those who are less fortunate in order to help them celebrate the true Christmas spirit. The parade will include bands, clowns, beauty queens, horses, and floats all aglow in the Christmas tradition. All clubs and or-

ganizations are encouraged to prepare a parade entry and join the fun. For more information about the parade call Lisa Johnson at 897-5549.

Last, but certainly not least, will be a concert in Miller Memorial Stadium by the very popular band, Young Country. The concert will be from 6:00-8:00 p.m. and will cost \$5.00.

It is easy to see that a fun-filled, jam-packed day is planned for November 30. Everyone is invited to participate in "A Magical Christmas" in Elba.

## BRAINSTORMS

With Ferrin Cox

Well, the Atlanta Braves didn't win the World Series, in spite of that roaring start. We say that to make another observation about a game in the Series. The Braves lost one of the games by the score of 1-0. The Atlanta pitcher gets a loss written down in his record book for that one. But ... the score was caused by an outfielder error AND the pitcher got two hits in the game! He did his job, but they lost anyway. Of course those guys make enough to justify the lumps.

There is a nationwide election in Alabama next Tuesday. We must select leaders for the next four years. If there has ever been an election when this country bumptin wanted to skip out and go fishing ... 1996 is it! However, all too many voters already cope out, therefore we will be holding our nose and voting.

Atop the ballot is the race for U. S. President. With apologies to our Democratic friends, we will vote for Bob Dole. Perot is right when he says we need relief, but he ain't it. Neither candidate excites us but someone has got to fill the office.

The race for U. S. Senate has reached such disgusting lows in political mud slinging we vote for "none of the above." That is not on the ballot in Alabama, so we will probably vote for someone as a last resort, but will never admit our sin to the world.

Terry Everett is our choice in the U. S. Representative race. Until we read the sample ballot, we couldn't even remember the name of his opponents, so there is no race there.

We are going to step on the toes of some friends in the Alabama Supreme Court race by voting for Harold See. See is knowledgeable in the law and believes in enforcing laws, not rewriting them to suit personal or political whims. Incumbent Kenneth Ingram is a nice enough man, but has listened to some bad advice. His low life campaign tactics offend us. He has failed to follow "the high standards required by the Alabama Canons of Judicial Ethics."

Democrat Charles A. Thigpen gets our vote for Judge, Alabama Court of Civil Appeals. He is the incumbent, seems to be doing all right and still remembers the manners his mama taught him.

We flop to Republican on the race for Judge Alabama Court of Criminal Appeals. Place #1 by supporting the re-election of H. W. "Bucky" McMillan. We understand that Bill North is a smart young man, but maybe needs a little more experience under his belt before becoming an Appeals Court judge.

Place #2 on the Court of Criminal Appeals leaves us straddle of the fence. Pam Baschlar is correct that Copeland doesn't have her experience as a judge. However Baschlar does have some experience of which we don't exactly approve. She ruled in one of those Baldwin County cases that Alabama didn't have a DUI law after the existing law had been amended to include boat operators. The ruling was overturned on appeal, but voting for her would put that sort of thinking on the appeals court.

Place #3 on the Court of Criminal Appeals puts us back in the Democrat column with our support of South Alabama's Tom Sorrells. This man is qualified, experienced and apparently a nice fellow. He is from Houston County and cut his teeth in those Dothan courtrooms.

Jim Sullivan gives us no reason to drop our long time support of him as President of the Alabama Public Service Commission. His chief opponent's only "qualifications" for the job seem to be that his name is Folsom. He is a brother of Jim Folsom Jr., but that doesn't qualify him to regulate our telephones. We have known Jim Sullivan all his life ... literally since he was a baby ... and don't have to blush when we admit our support of him for re-election.

The balance of the ballot is local races and, as always, we shy away from endorsing or condemning any of the candidates in those races. We do hope readers will study them, their qualifications and then vote on Tuesday.

There are five constitutional amendments which must be voted on also. Many Alabama voters either ignore these or vote no, just to be safe. That ain't a bad practice. However, we plan to vote for at least two of the amendments.

Yes on Amendment #1, called the "Sportsman's Bill of Rights". Notice how politically correct that name is ... not sportsman, but sportserson. This amendment makes it unlawful for bleeding hearts to interfere with hunters who are legally hunting. There have been cases where hunters found antihunters standing in the woods making a lot of noise to scare away the game. The same has happened in fishing tournaments, where nonfisherspersons on boats disrupted areas as being fished, because they opposed fishing. We strongly support this amendment.

No on Amendment #2! This end run to get retirement pay for legislators disgusts us. While it is true Alabama needs some relief from the superannuation retirement of many county officials, this would be jumping out of the frying pan into the fire! We almost supported this one because of a dislike of the superannuation retirement program, but instead we plan to insist our lawmakers, for just a moment, quit thinking about feathering their own nest long enough to protect the taxpayers.

Amendment #3 ... we had to ask what this one meant. Presently, someone arrested on a felony charge can't plead guilty for the first 15 days, regardless of anything. This new amendment will eliminate that quirk in the law. We will be voting yes.

Amendment #4 & #5 legalize bingo in Morgan (Decatur) and Jefferson (Birmingham) counties. Personally, we have no problem with bingo here or there, but are a bit reluctant to vote on a bill which probably has some hidden language ultimately legalizing a whole lot more. We strongly suggest that if you vote on these two amendments, vote NO!

## Christmas Festival help is needed

The theme for the 9th Annual Christmas Festival is "A Magical Christmas." As part of the decorations, organizers will transform Elba into a magical Christmas town by decorating the trees around the Courthouse Square. Each tree limb will be wrapped in lights, with each tree being a different color.

If anyone or any organization would like to participate in the tree lighting by providing lights or with a cash donation, help is welcomed. Monday, November 11, is the day planned to begin trimming the trees and everyone is invited to come join in the fun. Plaques will be placed at each tree in recognition of its sponsor.

For more information please call the Chamber of Commerce Office at 897-3125. Let's all work together to make downtown Elba a truly magical place this Christmas.

## We get Letters.....

To Whom It May Concern,

Recently, the church building of Woodland Grove Baptist Church was broken into and a small safe was taken. There was nothing of value to individuals in the safe only church documents and church historical papers. Some of these papers were very old and cannot be replaced. Our church was organized in 1855. These papers were placed in a safe to protect them.

I am making an appeal to the person or persons who took the safe, or to anyone with information concerning this matter. Our church members would like to have the papers returned. These historical papers will have no meaning to anyone except the members of Woodland Grove Baptist Church. Please call Mr. Clifford Allen, chairman of deacons, at 897-6422, with information or return to the church. No questions will be asked. Thank you.

To the Editor,

The City of Elba's police force did a splendid job of directing traffic during and after the funeral of the late Mr. Daryl Crittenden of Jacksonville, FL (formerly of Elba and Enterprise) which was held at Rocky Head MB Church, Elba, Monday, October 21, at 1:00 p.m.

Thanks to Mayor Grimes, Chief of Police R. Whitworth, Assistant Chief of Police John Nelson, and the police department as a whole, for a job well done. You were kind and considerate and had the situation well in hand in directing such a huge crowd.

Thanks,

Both of the Mularz girls went to a birthday party over the weekend at an area skating rink, and while they both enjoyed circling the rink and dancing to the music, Dad and Mom declined the invitation to put on skates and just watched everyone else have fun. Hey, watching the girls skate had to be watching Dad knock a hole in the floor!

### ELBA TIGERS WAKE UP LATE TO CLAIM AREA TITLE

The Elba Tigers woke up early in the fourth quarter Friday night and put sixteen unanswered points on the scoreboard in the closing stanza to claim a big 23-7 win over the Rehobeth Rebels. The win was a struggle, as was expected, but the Tigers came through when it mattered most and pulled out the win to claim the Class 3A, Area 3 championship and gain the homefield advantage in the upcoming state football playoffs.

The Elba offense, which had failed to score in three previous road games, moved the ball almost at will throughout the game, only to hurt itself with crucial penalties that nullified one touchdown and stopped an other apparent scoring drive. Tailback Bobby Burks gained only 25 yards in a first half that saw both teams sustain long, time-consuming drives, but the speedy Tiger senior broke loose for 90 yards in the second half and ended the game with 115 yards on the ground. Fullback D'Undray Peterson found tough going against the big Rebel front line and was limited to only 26 yards on 10 carries, but the Tigers' battering ram did blow over the goal line for two touchdowns, and helped the Tigers pull away late to claim the win. Quarterback Troy Bryan rolled up 82 yards in total offense, with 59 yards coming through the air, and was effective both running and passing. The offense had chances to blow the game open prior to the final stanza; however, the Tigers came away empty-handed on three occasions after long drives, and continued to have problems scoring once they got inside the 30-yardline. The mistakes were still easy to spot and there is still a lot of room for improvement, but the Tigers did come through when the game was on the line and scored 23 points against a pretty good defensive club.

The Elba defense seemed confused on the game's opening drive and watched as Rehobeth marched 67 yards to take an early 7-0 lead, but al-

lowed only 40 yards in total offense the remainder of the game and played a major role in the key area win. The defense came up with two blocked punts that led to nine points, and made 11 tackles behind the line of scrimmage as the defense limited the Rebels to only 25 yards rushing. The Tigers' defensive dominance was especially evident in the second half, as they held Rehobeth to only 11 total yards until going into a prevent defense on the game's final series. Earl Perkins had a big night with four tackles for losses of 27 yards, and the entire defensive front had a big night as the Tigers shut down the powerful Rehobeth running attack. The secondary did get burned for 92 yards on nine completions, but had some new faces in starting line-up, and was able to get valuable game experience and get a win at the same time.

Elba looked much like the Tigers that stumbled their way to a disappointing loss to Geneva County for three quarters Friday night, but got a wake-up call on a field goal by Todd McKee early in the fourth quarter, and from that point on played like the Tigers that posted lopsided wins over Headland and Geneva, and looked like a possible 3A contender. It wasn't the kind of performance that Coach Lowery and his staff want on a weekly basis, but it was a win, and that was just what the doctor ordered for a team that badly needed a shot of confidence. Now that the Tigers have wrapped up the area title and the homefield advantage in the playoffs, maybe they will relax and have some fun as they prepare for another run at a state title.

### NEW BROCKTON GETS LEG UP ON COUNTY TITLE

The New Brockton Gamecocks took a giant step toward claiming the county football championship Friday night with a win over Kinston, but it was the only bright spot for area teams as Brantley and Zion Chapel hit the dust. Following is a quick look back at week #8.

\*\*\*NEW BROCKTON (4-4) put two early touchdowns on the scoreboard and then turned things over to its defense in posting a solid 13-7 win over Kinston. The Gamecocks and Bulldogs both came into the cross-county clash giving up 30 points a game, but the defenses ruled the roost Friday night at Gamecock Stadium and led the way to the impressive win.

\*\*\*KINSTON (3-5) was confident that it would defeat its 2A neighbors from New Brockton last week and roll into its final two area contests filled with confidence. Something happened on the way to the playoffs; however, as the Bulldogs' offense got stuffed and Kinston was upset by the Gamecocks 13-7. Kinston's season has been filled with ups and downs, and now it will be interesting to see if the Bulldogs can get back up and claim the area title.

\*\*\*ZION CHAPEL (1-6) continued to be hurt by key personnel losses,

and the most recent loss of running back Tim Alcure was simply too much to overcome as the Rebels never got anything going in a 28-0 loss to Arion. The Rebels that remain on the roster never give up and battle for the full forty-eight minutes every night out; however, the Rebels' weapons are close to being empty, and maybe the best thing that can happen is for the season to come to a merciful halt.

\*\*\*BRANTLEY (2-6) saw its losing streak reach six games Friday night with a rare loss to Highland Home. The Bulldogs have one of the youngest teams in the state and have taken their lumps for the past two months, but this year's "on the job training" will pay dividends if, on the line, Brantley made some big mistakes that helped the Squadron take off, and if they can eliminate those mistakes, another win might just come this season.

### FAVORITES EMERGING AS SEASON BEGINS TO WIND DOWN

The high school football season has now completed eight weeks, and the favorites are beginning to emerge with the playoffs just around the corner. Here's a quick look at what happened, and who made the headlines, in week #8...

\*\*\*CLASS 6A - Top-ranked Central, of Tuscaloosa, was held to only 184 yards on the ground in a hard fought 17-3 win over Prattville, while #2 Vigor took no prisoners in destroying Saturna 76-0 and #9 Jeff Davis strolled to a 41-0 win over Selma. Closer to home, Dothan remained undefeated with a 14-11 win over Cairo, and Enterprise rallied from a 20-0 deficit to get a big road win over Carver 21-20.

\*\*\*CLASS 5A - Top-ranked Blount struggled for the second straight week before pulling away from Citronelle 15-7, while #2 North Jackson, which has been forced to forfeit four wins, clubbed Ft. Payne 42-11 to move its official record to 3-4. Closer to home, Smith Station remained unbeaten with a 18-13 win over Valley, Eufula went to 8-0 with a 39-14 win over Russell County, and Greenville won its area title by slipping past Andalusia 33-30, in overtime.

\*\*\*CLASS 4A - Top-ranked Alexandria continued its stroll past any and all challengers with a 54-7 romp past Hokes Bluff, while #2 T.R. Miller spanked Hillcrest 41-14 and #3 W.S. Neal eliminated St. Paul's from the playoff picture by ripping the Saints 36-13. Closer to home, Ashford won its playoff hopes alive with a 35-20 win over Dale County, Daleville defeated Geneva 24-7 and Pike County continued its struggles with a 30-23 loss to Charles Henderson.

\*\*\*CLASS 3A - Top-ranked B.B. Comer was upset by area foe Briarwood Christian 34-28. Closer to home, Houston Academy continued one of its best seasons in years with a 34-0 win over Louisville and Brantley saw its losing streak reach eight games in a 20-8 loss to Highland Home.

\*\*\*CLASS 2A - The big news was that top-ranked Gay County was finally scored on, but it really made no difference as the state's top 2A team pounded Beulah 79-12. Number two Hazlewood kept pace with a 47-0 win over Colbert Hts., and Luverne remained unbeaten with an impressive 23-7 win over 6A Carroll. Closer to home, Samson posted an exciting 28-21 win over Straughn, Geneva County ripped Slocomb 46-0, and Red Level snapped its 18 game losing streak by punishing Florida 40-14.

\*\*\*CLASS 1A - Top-ranked Maplesville had an easy time in defeating Isabella 71-8, while #2 Addison had to go into overtime before getting past Oakman 34-28. Closer to home, Louisville continued one of its best seasons in years with a 34-0 win over Louisville and Brantley saw its losing streak reach eight games in a 20-8 loss to Highland Home.

### BRAVES BLUNDERS LEAD TO WORLD SERIES LOSS

The Atlanta Braves were billed as the best team money could buy, and after two games in the World Series the jeweler was already etching the trophy for a presentation that would certainly take place at the Braves home park. Something happened on the way to the victory stanzas; however, as the Braves pitched simply just enough to let the Yankees stay close, and Joe Torre outcoached Bobby Cox in four straight games to lead New York to the World Series title. The Yankees took advantage of some errors, and some good fortune, to get past Texas and Baltimore in the American League playoffs, and continued to follow that script in the Series as they stayed close and made the most of any and all mistakes to win the biggest prize in baseball. I was pulling for the Braves all the way; however, now that Atlanta has shown it can lose, maybe the team's management will get some help for the bullpen, and get a coach that understands the real game of baseball.

Ye Ole Polish Prognosticator came by the office over the weekend to show me how to use the crystal ball he had left the week before, only to discover that his all-knowing orb was cracked and under the table. He blamed me for the damage, but did agree to return from his early retirement and make his prep predictions for the remainder of the season. For the record, the crystal ball hit on 50 of 59 picks last week, giving this corner of the *Clipper* a yearly record of 271 - 67.

### ELBA VS. ANDALUSIA

The Tigers put an end to their road woes last week with a big area win over Rehobeth, but this week will find a real challenge waiting for them at home when the Andalusia Bulldogs come to town looking to spoil Elba's homecoming party. A win this week will make the Tigers a real contender in the 3A ranks, while a loss will leave the Tigers in a bad mood. Look out at the dance!

### ANDALUSIA 22 ELBA 13

### NEW BROCKTON VS. LUVERNE

The Gamecocks have been piling up the wins against everyone but their area opponents, and this week they will be back in the area hunt against the third-ranked Luverne Tigers. New Brockton could have a few surprises up its sleeve for the talented Tigers, but in the end the result will be the same.

### LUVERNE 34 NEW BROCKTON 8

### ZION CHAPEL VS. KINSTON

The Rebels will close out their area campaign on the road Friday night against their rivals from Kinston. The Bulldogs will be foaming at the mouth after last week's loss to New Brockton, and the Rebels had better check their shot record before making the trip!

### KINSTON 32 ZION CHAPEL 0

### BRANTLEY VS. GEORGIANA

The Bulldogs have lost six straight games and this week must hit the road for a trip to Georgiana to battle the 10th ranked Panthers. The guys in green won't play dead for anyone and will battle until the final horn, but this week the Panthers could have something to prove and might just take it out on the 'Dogs.

**BLOCK #2...**Elba's Julian Mitchell (5) breaks through to block a punt late in the third quarter. The blocked punt led to a field-goal that gave the Tigers a 9-7 advantage.

**Tiger place-kicker Todd McKee (54)** boots a 35-yard field-goal to give the Tigers a 9-7 fourth quarter lead. Elba defeated Rehobeth 23-7 to claim the 3A, Area 3 championship.

**BLOCK #1...**Elba's Wesley Johnson (82) blocks a punt during second quarter action. The blocked punt led to the Tigers' first score of the night in last week's 23-7 win over Rehobeth.

## Fourth quarter rally lifts Tigers to 23-7 area win

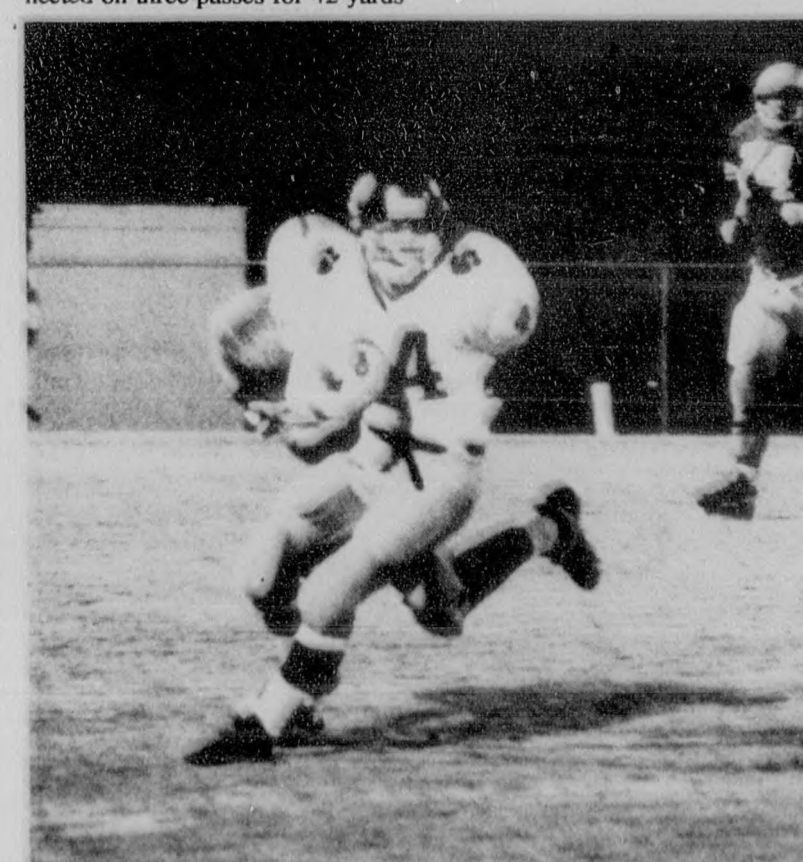

By Ricky Mularz, Sports Editor

The Elba Tigers pulled ahead on a fourth quarter field-goal by Todd McKee and then pulled away with two late touchdowns to dump the Rehobeth Rebels 23-7, Friday night in Rehobeth.

The win upped Elba's record to 3-5, 2-0 in Area 3 standings, and gave the Tigers the area championship and the homefield advantage in the upcoming state playoffs. Rehobeth slipped to 1-7 with the loss, 0-1 in area play.

Rehobeth received the opening kickoff and made it look easy as the Rebels drove 67 yards in nine plays to grab an early lead.

during the scoring march, while Jon Prevatt got the touchdown on a 1-yard blast up the middle. Garrett West booted the extra-point, and with 7:20 left in the first quarter Rehobeth was on top 7-0.

Elba's offense was also determined to get on the scoreboard on its first possession, and headed down field on a long 17 play drive that ate up almost eight minutes off the clock.

The Tigers marched 55 yards behind the running of D'Undray Peterson, Bobby Burks, and Troy Bryan to reach a first down at the Rebel 9-yardline, and appeared to get on the scoreboard on the final play of the opening stanza when Eric Jordan sprinted 10 yards into the endzone on a reverse. A hold-

ing penalty against Elba nullified the score and moved Elba back to its 27-yardline, however, and not even a 22-yard pass from Bryan to Marcus Tillis on fourth down could get the Tigers back in the endzone, as the early scoring threat failed to put any points on the scoreboard.

Elba began its next offensive series at the Rehobeth 18-yardline after Wesley Johnson broke through to deflect a Rehobeth punt, and the Tigers took advantage of the excellent field-position to quickly get into the endzone.

The Tiger touchdown came on an 11-yard run by Bobby Burks, but the extra-point attempt sailed wide, and with 8:09 remaining in the half the Tigers had the win 23-7.

Bobby Burks gained 115 yards and scored two touchdowns to lead the Elba offense, while Troy Bryan added 23 yards on three carries and passed for 59 yards.

The Elba defense, which limited Rehobeth to minus-four yards rushing in the second half, was led by Earl Perkins (6 tackles), Julian Mitchell (5 tackles and a blocked punt), and Larry Rayborn (5 tackles).

Rehobeth pushed the ball out to near midfield on its ensuing possession and appeared ready to at last to its lead, but the Elba defense rose to the challenge and knocked the Rebels back as Wesley Johnson and Earl Perkins made big hits behind the line that resulted in 22 yards in losses.

Elba's Julian Mitchell blocked the Rebels fourth down punt attempt to set the Tigers up at the Rehobeth 18-yardline.

Three running plays gained only two yards, but the Tigers did take advantage of the blocked punt, as on fourth down Todd McKee drilled a 35-yard field-goal to give Elba its first lead of the night at 9-7 with 11:12 left in the fourth quarter.

The long field-goal seemed to serve as a wake-up call for the Tigers and their fans, as the defense began to unload on the Rebel offense and the crowd rose to its feet in approval.

Elba put the ball in play at its 44-yardline following a 30-yard Rebel punt, and five plays later was right back in the endzone!

Bobby Burks broke loose for 46 yards on two carries to spark the Tiger scoring drive, while D'Undray Peterson bulled over from four yards out to score the Tiger touchdown. McKee booted the extra-point, and with 8:06 left in the game Elba's lead was up to 16-7.

The Tigers got the ball right back on another Rebel punt and this time marched 48 yards in 10 plays to wrap-up the game and the area championship.

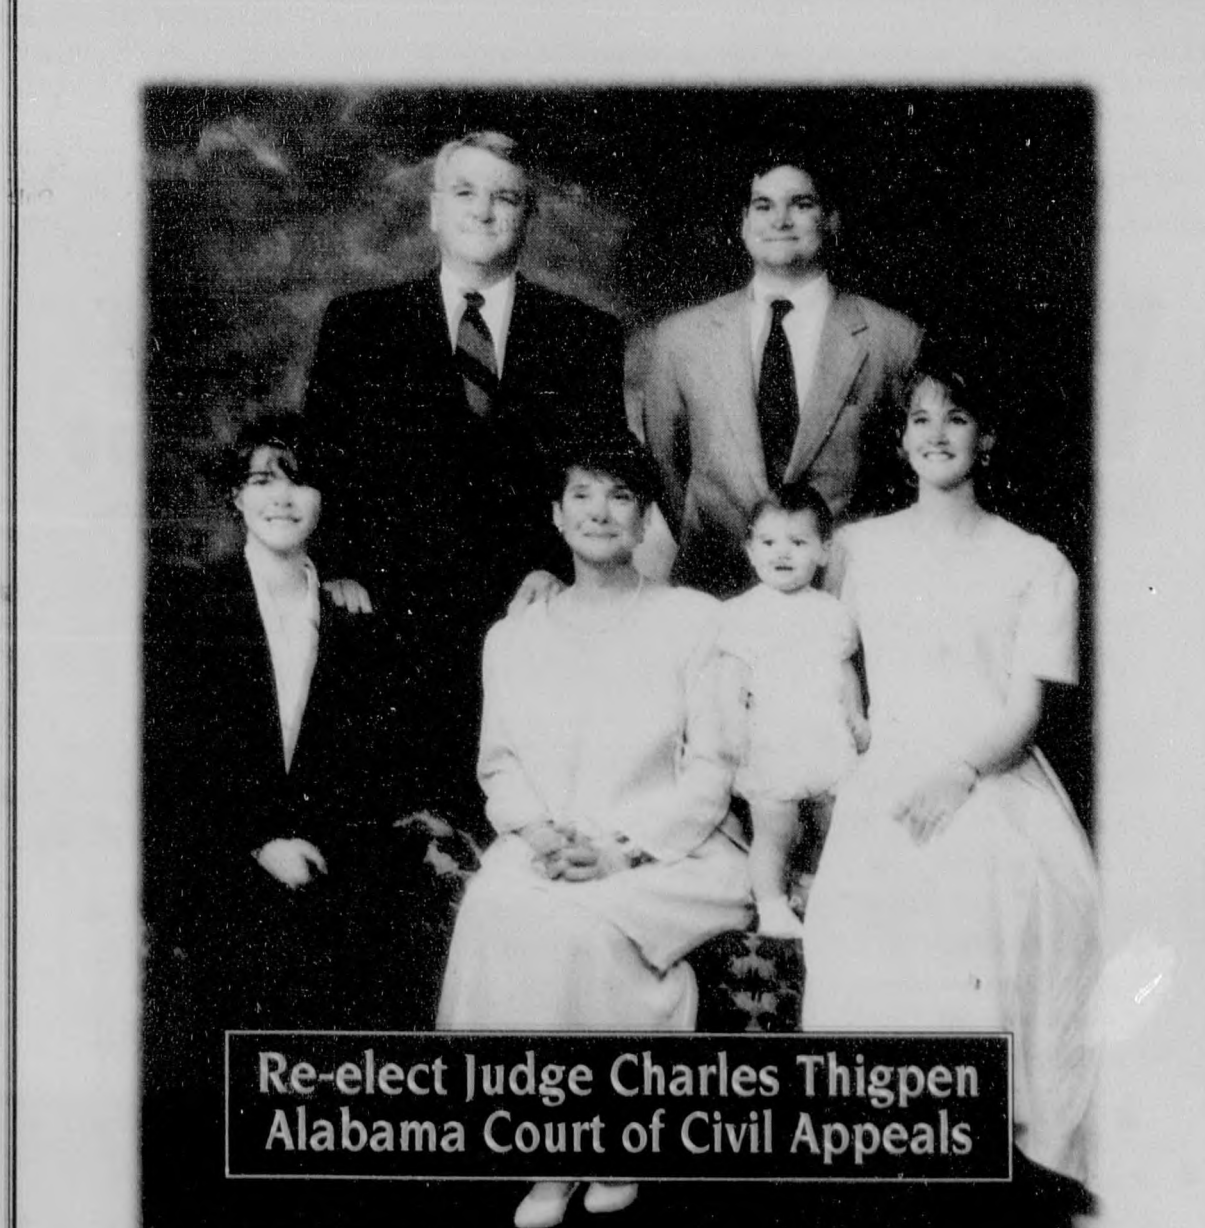

18-year-old scamper by Alex Daniels got the drive off to a fast start, while a 9-yard gain by Bobby Burks on fourth down and five at the 16-yardline kept the drive alive.

Burks got the touchdown three plays later on a fourth down and goal at the Rebel two-yardline, and

## Tigers brace for battle with Bulldogs

The Elba Tigers will be looking to gain momentum for the upcoming state playoffs and give a homecoming crowd plenty to cheer about Friday night when they host the Andalusia Bulldogs.

The Tigers will bring a 3-5 record into the clash and will be coming off a 23-7 win over Rehobeth, while Andalusia will enter the game with a 5-3 mark and will be trying to get back on track after a 33-30 overtime loss to Greenville.

Elba put an end to its three-game road losing streak last week with its Area 3 win over Rehobeth, and wrapped up the area championship with the come-from-behind victory.

The Elba offense, which has averaged 16 points a game, continued to be led by the running of tailback

Bobby Burks, who gained 115 yards in the win, while fullback D'Undray Peterson bulled for two touchdowns. Quarterback Troy Bryan ran and passed for over 80 yards in the win, as the senior quarterback once again gave the Tigers an added weapon on offense.

The Elba offensive line, led by center Todd McKee, guard Ronnie Davis and tackle Cedric Howe, continued its recent improvement and dominated the Rehobeth defensive front, despite being out-weighted by almost forty-pounds per man.

The Tiger defense, which has allowed 12 points per game through eight weeks of action, slammed the door on the explosive Rebel offense after allowing an early touchdown, and led by linebacker Todd McKee,

tackle Earl Perkins and defensive end Wesley Johnson, sparking the Elba comeback that gave the Tigers the homefield advantage in the playoffs.

Andalusia has continued its march back toward the top of the 5A charts this season under Coach Richard Robertson, and had won five straight games until last week's disappointing overtime loss to Greenville.

The Bulldogs wins have come over Ashford 34-6, Hillcrest 24-20, Charles Henderson 35-17, Dale County 12-7 and Escambia County 22-6, while the losses have come at the hands of T.R. Miller 42-25, W.S. Neal 26-12 and Greenville 33-30.

The Andalusia offense is centered around the "Sidney Express," the nickname given to the Bulldogs' standout running back Sidney White. White has rushed for over 1,500 yards and scored 18 touchdowns in the Bulldogs' eight games, while averaging over 8

yards per carry on almost 200 carries.

Nicholas Ball gives the Bulldogs an added threat in the backfield and has the speed to get the distance on any play, while wide-receiver Joey Ball gives Andalusia a true deep threat through the air.

The Bulldog defense has allowed an average of 19 points per game, and is led by Tomoko Matthews, Charles Smith and Ben Brannon, a talented trio of defenders that play a physical brand of football.

Elba has spoiled Andalusia's homecoming festivities the last two times the Tigers have paid a visit to the Bulldogs' back yard, and Andalusia will no doubt have payback in mind Friday night when they are the guests of honor for the Tiger party. These two rivals have staged many dramatic games over the years, and this year should be no different as the Tigers try to upset over the highly-touted Bulldogs!

## AREA HIGH SCHOOL FOOTBALL PREVIEW

### ZION CHAPEL (1-6) AT KINSTON (3-5)

The Kinston Bulldogs will be hoping to put the wraps on a state playoff berth and celebrate homecoming at the same time Friday night when they host the Zion Chapel Rebels.

The Bulldogs saw their record slip to 3-5 last week with their 13-7 loss to New Brockton, but have dominated 1A opponents this season and will be heavily-favored to improve their area record to 2-0. The Kinston offense, led by Jeremy Osborn, has averaged 29 points per game, while the defense, led by Jim Mock, has allowed an identical 29 points per outing.

Zion Chapel saw its state drop to 1-6 last week with an area loss to Arion that eliminated the Rebels from the playoff hunt. The Rebels' offense is led by quarterback Wade Parker and tight-end Billy Kelley, while the defense, which has allowed over 20 points per game, has struggled throughout the season due to a lack of numbers.

Kinston will be a heavy favorite this week over its cross-county rivals and should clinch a berth in the playoffs with a win.

### NEW BROCKTON (4-4) AT LUVERNE (8-0)

The New Brockton Gamecocks will return to the area wars Friday night when they travel to Crenshaw County to do battle with the undefeated and third-ranked Luverne Tigers.

New Brockton evened its record at 4-4 last week with an emotional 13-7 win over Kinston, and the offense was again sparked by the Gamecocks' backfield weapons of quarterback Jason Allums and running backs Lee Flowers and Jerry Haynes. While the offense, which averages 17 points per game, did its job again last week, it was the play of the New Brockton defense that led to the big win, with Pate Harrison coming up with two key plays.

Luverne has been rated among the top in the 2A ranks all season long and will enter the area clash with a perfect 8-0 record, including wins over 2A power Georgiana, 3A Elba, 5A Opp, 5A Charles Henderson and 6A Carroll, of Ozark. The Tigers have scored 28 points per game and allowed only an average of eight points per outing, making the Tigers' dominance easy to spot.

New Brockton has been outscored 99-20 in its previous two area contests, and it could be more of the same this week as the Gamecocks challenge the cream of the crop.

### BRANTLEY (2-6) AT GEORGIANA (6-1)

The Brantley Bulldogs will be looking to put an end to a six-game losing streak and pull off a major upset Friday night when they travel to Butler County to battle the 10th ranked Georgiana Panthers.

Brantley has been outscored 196-50 during its losing streak, with the losses coming to a list that reads like a "Who's Who" among high school football powers. The six losses have been to (6-2) Goshen, (4-3) McKenzie, (8-0) Luverne, (7-1) Frisco City, (8-0) Maplesville and (6-2) Highland Home. The six teams have a combined record of 39-8, making the schedule as much a reason for the losses as the youth of the Bulldogs.

Georgiana was off last week after an emotional loss to area opponent Luverne, but the Panthers will be looking to get back on track this week and have the tools on both sides of the football, averaging over 39 points a game, and allowing 18 points per outing.

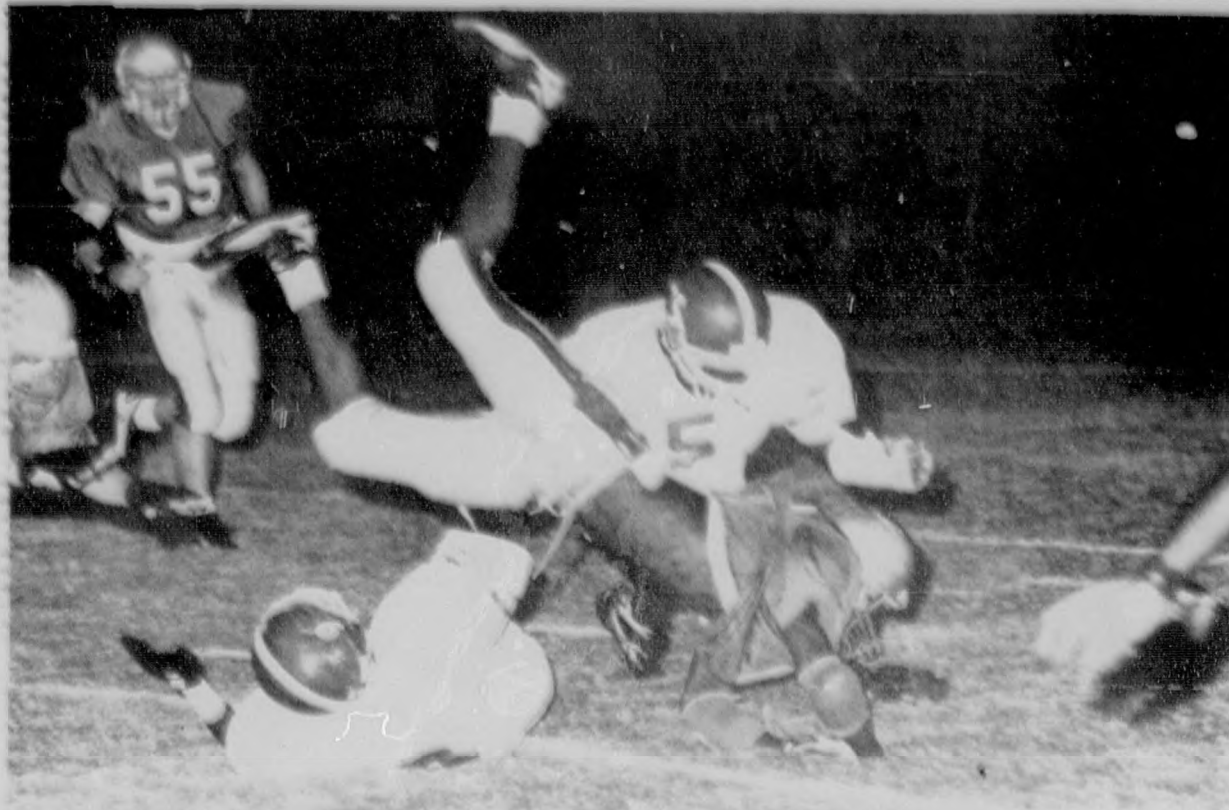

This one is a mix-match on the line while the Panthers may have simply too many weapons for the Bulldogs to handle, Brantley will play to win and will battle until the final horn.

A Highland Home runner goes flying after being hit by Brantley's Andre Mitchell (9). Closing in to keep the Flying Squadron down is the Bulldogs Darrell Owens (5). Brantley will hit the road Friday night for a battle with 10th ranked Georgiana.

Brantley's 8th grade quarterback Andy Johnson (12) turns to handoff to 8th grade fullback Gregory Daniels (15) as junior Archie Duet (68) and junior Jonathan Billups (54) try to open a hole in the Highland Home defense.

## Squadron downs 'Dogs 20-8

By Greg Branson, Sports Writer

The Brantley Bulldogs traveled to Highland Home Friday night to battle the Flying Squadron and came out on the short-end of a 20-8 score.

The Squadron's Ollie Godwin intercepted a Bulldog pass at Brantley's 36-yardline on the game's second play to put Highland Home in business, only to give the ball right back when Brantley's Kelvin Ezell recovered a Highland Home fumble at the Bulldog 11.

Godwin struck again when he recovered a fumble at the Brantley 18-yardline; however, the Bulldog defense was again up the test, and this time regained possession with a defensive stand at its own two-yardline.

Brantley was unable to push the ball out of the shadows of its own endzone, but got out of trouble on fourth down when freshman Bo Daniels boomed a 51-yard punt.

The Bulldogs offense alternated on its next series and reached the Highland Home 20-yardline, only to see the scoring chance go by the board when a 37-yard field goal by 8th grader Gregory Daniels sailed wide.

Highland Home's offense came to life on its next series and drove 80 yards in nine plays to score the

first points of the night.

Jermaine Foster got the touchdown on a 4-yard run, but the extra-point try failed, leaving the Squadron with a 6-0 lead with 8:10 left in the half.

The two Crenshaw County rivals swapped punts for the remainder of the second quarter as the defensive units dominated the action, and it was the Highland Home defense that put the next points on the scoreboard, as Michael Berry scooped up a Bulldog fumble and raced 21 yards into the endzone. A two-point try failed, but Highland Home was ahead 12-0 with 8:16 remaining in the third quarter.

Highland Home's next possession resulted in an 81-yard touchdown drive that took 11 plays, and was climaxed when Michael Berry scored on a 4-yard scamper. Mike Olive passed to Berry for the two-point conversion, making the Highland Home lead 20-0 with :32 still left in the third quarter.

The teams swapped interceptions early in the fourth quarter, with Thomas Monk getting a pick-off for the Squadron, and Andre Mitchell getting an interception for the 'Dogs.

Brantley rode the passing arm of Andy Johnson down the field midway through the fourth quarter as the Bulldogs marched from their

own 8-yardline to the Highland Home 18. The Bulldogs appeared ready to get back in the game, but bogged down after the long march, and gave the ball back on downs.

Jonathan McGinty recovered a Squadron fumble on the next snap to put the Bulldogs back in business at the Highland Home 18-yardline, and six plays later Gregory Daniels stepped into the endzone on a one-yard plunge. Andy Johnson passed to Edward Burnett for the two-point conversion to add to the Brantley point total, but it was too little, much too late, as the game ended :47 later with Highland Home on top 20-8.

Jermaine Foster gained 118 yards on 17 carries to lead Highland Home, while Bo Daniels led Brantley with 63 yards on 11 totes.

## Ariton blanks Rebels

The Zion Chapel Rebels traveled to Ariton Friday night to tangle with the arch-rival Purple Cats, and while both teams had struggled through the season, it was the 'Cats that put it all together and claimed a 28-0 win.

Zion Chapel failed to move the chains on their first two possessions, and their second punt of the night gave Ariton excellent field position at the Rebel 30-yardline, and led to the first points of the game.

Kenny Sanders hit Chad Causey with a 23-yard scoring strike on fourth down and four to give the 'Cats the early lead, and although the two-point try failed, Ariton was on top 6-0 with 3:09 left in the first quarter.

Ariton marched 76 yards in 14 snaps on its next possession, but this time the Zion Chapel defense stiffened, and the Rebels turned back the threat when a 24-yard field-goal attempt sailed wide.

A pass interception by Ariton's Chad Snellgrove put the Purple Cats in business at the Zion Chapel 33-yardline midway through the second quarter, and once again the 'Cats reached the endzone to increase their lead to 12-0.

The touchdown came on a fourth down and fifteen play, when Sanders tossed a pass to Bradley Crenshaw, and with 5:51 left in the half Ariton's lead was up to 12-0.

Ariton threatened to blow the game open before the end of the half, only to see the Rebels turn back the threat on a big quarterback sack by Shane Allen.

Zion Chapel's defense came up with another big play early in the third quarter when Billy Kelley intercepted a Purple Cat pass at the Rebel 41-yardline, but the Rebels punted the ball back to Ariton and this time the 'Cats added to their lead.

The score came on a 26-yard field-goal by Chad Snellgrove, and gave the Purple Cats a 15-0 advantage with 4:02 remaining in the stanza.

Ariton got the ball back four plays later on another Zion Chapel punt and once again headed toward the Rebel goal line.

The Purple Cat touchdown came on a 43-yard, six play drive, and was capped by a 3-yard scoring run by Dwayne Riley. The extra-point try failed; however, with 2:53 still left in the third quarter Ariton was in command with a 21-0 lead.

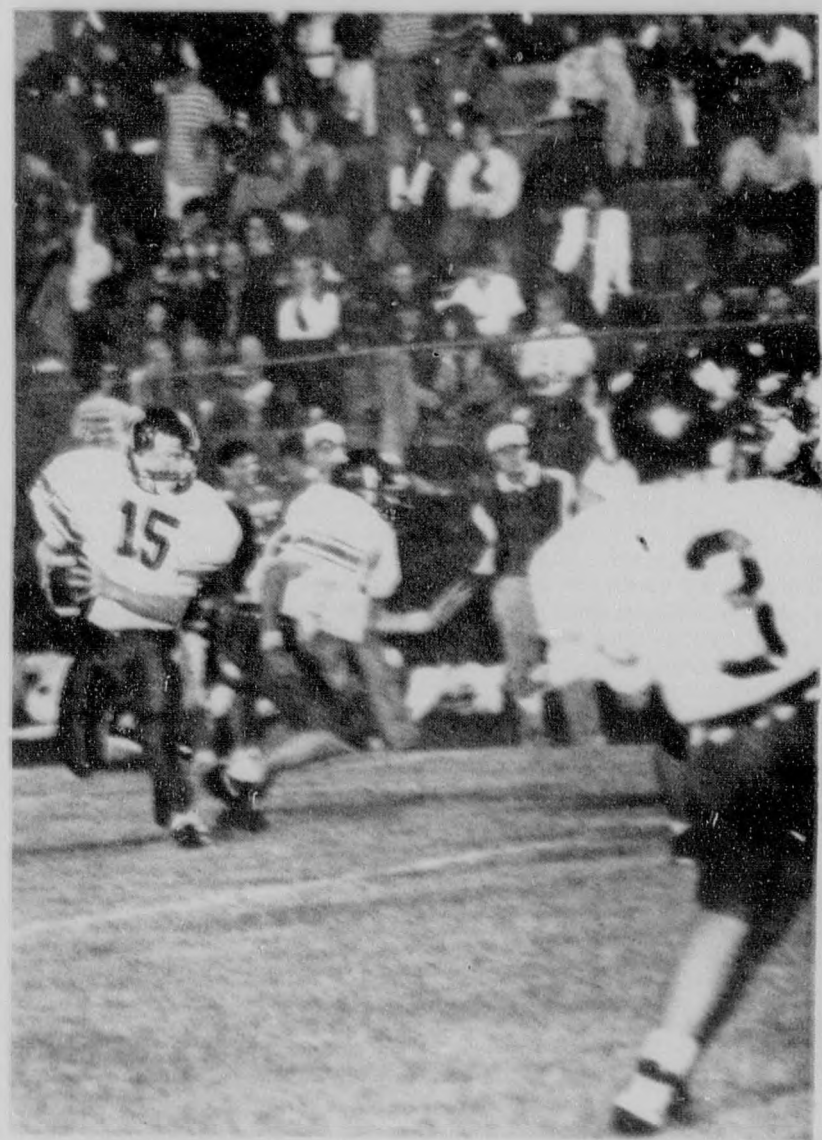

Ariton got the ball back three plays later on a Zion Chapel fumble, and this time marched 36 yards in three plays to put the final points of the night on the scoreboard.

Riley again touched the score on a short run, as Ariton blew the game open by grabbing a 28-0 lead with :57 left in a wild third stanza.

The fourth quarter saw both teams fail to generate any offensive threats, and at the final horn Ariton had the win 28-0.

## Brockton defense tames Kinston 13-7

By Johnny Higgins and D'Anthony Brown, Sports Writers

The New Brockton Gamecocks scored twice in the first quarter and then held on to down the Kinston Bulldogs 13-7, Friday night in New Brockton.

The Gamecocks kicked off to open the game, but got the ball right back two plays later when Pate Harrison pounced on a Bulldog fumble at the Kinston 45-yardline.

New Brockton covered the 45 yards in 11 plays and ate up 5:18 off the clock, with Jason Allums getting the score on a 2-yard dash. Sebastian Cormier added the extra-

point, and with 5:58 left in the first quarter the Gamecocks were in the lead 7-0.

New Brockton's Robert Fleming returned a Kinston punt 15-yards to the Bulldog 26-yardline after Kinston's ensuing possession, and once again the Gamecocks quickly marched into the endzone.

Jerry Haynes capped off the seven-play, 26-yard drive with a one-yard scoring plunge, and while Cormier's extra-point try sailed wide, the Gamecocks were off and running with a 13-0 lead with :29 left in the opening stanza.

Kinston recovered a fumbled punt early in the second stanza at

the New Brockton 28-yardline, but failed to take advantage of the scoring opportunity, as a fourth down pass from Jason Williams to Chancy Lashley gained nine yards, but fell four yards short of the first down marker.

Kinston got the ball back at the Gamecock 35-yardline following a short seven-yard punt, and this time the Bulldogs cashed in the scoring chance and cut into the Gamecock lead.

Jeremy Osborn gained 22 yards on two carries to spark the Kinston scoring march, while Chancy Lashley bulled in from a yard out to put the Bulldogs on the scoreboard. Jeremy Osborn booted the extra-point, and with 2:07 left in the half New Brockton's lead was cut to 13-7.

Neither team mounted any offense on its first possession of the second half, but the Gamecocks did make a move on their second series and marched from the Kinston 43 to the Bulldog nine-yardline.

A 24-yard gain by Robert Fleming and a personal foul penalty against Kinston were big plays in the drive. However, the Kinston defense rose to the challenge and stopped the threat when Jason Allums fumbled and the Bulldogs' Jim Mock recovered the fumble.

The defenses continued to dominate the action in the third quarter

and turned what was billed as an "offensive shootout" into a defensive struggle.

Kinston threatened late in the game when Jeremy Osborn returned a Gamecock punt 17 yards to the New Brockton 33-yardline.

The Bulldogs had 1:28 left on the clock, but failed to come up with the big play needed, as back-up quarterback Ronnie Sansom mistimed on three passes and then was sacked by Pate Harrison on fourth down, as New Brockton claimed the exciting 13-7 win.

Lee Flowers gained 110 yards on 20 carries to lead New Brockton, while Jason McKenzie added 33 yards on 11 totes.

Jeremy Osborn gained 54 yards on 11 carries and Chancy Lashley added 41 yards on 7 totes to lead Kinston, while Jim Mock led the defense with 12 total tackles and a fumble recovery.

## YOU BE THE JUDGE.

The race for Place 2 on the Alabama Court of Criminal Appeals offers you a clear choice. You can choose a man who has never been a Judge. Or, you can choose a Judge with eight years experience handling criminal cases from the bench - Judge Pam Baschab.

Judge Pam Baschab has been a trial court judge in Baldwin County, one of the fastest growing counties in Alabama. Elected district judge in 1988, Judge Baschab eliminated a backlog of thousands of cases. In 1992, Judge Baschab became the first Republican woman to be elected on Alabama circuit judge.

Judge Pam Baschab has sat on the bench, handled high-profile cases, and made the tough decisions, including the death penalty.

"During the past eight years, I have tried every kind of criminal case from speeding to capital murder. I believe Appeals Court judges should have judicial experience. How can anyone who has never been a Judge know how to review decisions made by other Alabama judges?"

The Mobile Bar Association voted Judge Baschab "Most Qualified" for the Appeals Court seat by a 4 to 1 margin over her opponent.

The Alabama Court of Criminal Appeals is no place to train a new Judge.

This November 5th, the Choice is Clear.

## 11th annual Curtis School reunion held October 12th

Over 100 former students and friends of Curtis School met at the Heart of Dixie Music Park for their 11th annual reunion on October 12. Registration began at 11:00 a.m. with a covered dish luncheon at noon. Rev. John William Bryan, a former student, and retired Methodist minister now living in Dothan, welcomed the guests and gave the invocation.

Each year two families are honored and an individual chosen for his/her accomplishments since leaving Curtis School.

This year the two families included the George Parker family and the children of the late Mattie Lena Wilson Stanley.

George Parker was the only member of his family attending. He spoke of many remembrances of his days at Curtis School. He and his wife live at Ft. Walton Beach, FL.

The Mattie Lena Wilson Stanley family honored included Tom and Sharon Nix of Orlando, FL; Bill and Lori Cannon of Albemarle, NC; Linda and Chip Westbrook of Elba; Kathy and Bobby Edmondson of Pensacola, FL; and Betty and Bo Sauls of Elba. It was at their mother's insistence that the first school reunion was organized.

Linda Westbrook was the honored alumna this year and she shared her accomplishments. Linda attended the University of Montevallo and Troy State University, receiving a BS degree in accounting.

She enjoyed a successful career in accounting for 25 years. Leaving Battery Marketing Corporation in Troy, AL as accountant/controller after 11 years, she took a field representative position with Woodmen of the World in January 1996.

On June 25, 1996, Linda won the election as Coffee County Commissioner in District One. As the first woman elected to this office, she made history in Coffee County.

Linda and her husband, Chip, have one daughter, Janna Curtis, who lives in Birmingham with her husband, Phillip, and son, Chip.

At a business meeting following the meal, those attending voted to have the 1997 reunion at the Heart of Dixie Music Park on October 4, 1997.

**COMMUNITY SPIRIT WORK DAY AT OLD COFFEE COUNTY JAIL.** Many local citizens turned out for the first of many work days to clean up the old Coffee County Jail. W212 was on hand for a live remote. The Chamber of Commerce has taken this project to restore this historical building as a museum honoring law enforcement individuals from all of Coffee County as well as offices for the Chamber of Commerce. If you have not been by to see what is being done, please do so. Commemorative bricks are being sold for the walkway to the jail, and may be purchased from the Chamber of Commerce Office for \$35.00. Chances are being sold on hand-made quilts by Dot Smith and may be purchased at the chamber office for \$1.00. The quilts will be given away at the Christmas Festival on November 30. The chamber is also selling t-shirts (with the Old Coffee County Jail) and may be purchased at the chamber office. Response has been good, but we need everyone involved to get this restoration done. You will be hearing more as the project progresses and more fundraising activities are complete. Please call the chamber office at 897-3125 to be a part of this project.

## Halloween & Children's Fears

By Sandra Coffey County Agent Coordinator

Boo! It's Halloween time again! It's the time of year when children and adults have the chance to be someone or something different for a day or a night.

Is all the spookiness often connected with Halloween harmless? Preschool children appear to be more sensitive to scary things and are capable of imagining things and situations which don't exist.

They are less capable of distinguishing reality from fantasy. In fact, they may fear their own imagination and adding to their fear may be harmful. Childhood TV shows and movies may be taken quite literally by the preschooler.

Parents need to make sure their children realize that witches, goblins, and such don't exist. They should never ridicule a child for having fears.

What can children do to overcome their fears? One method children can use to deal with something scary to them is to become that thing. For instance, if little Nathan can become Frankenstein for a day, then he won't be bothered by that monster any longer. By identifying the "aggressor", children gain greater control of their fears.

Halloween provides the opportunity for children to become a variety of "aggressors". Children put on costumes and become terrifying monsters such as Dracula, King Kong, or a werewolf for one night. Children delight in being as ghastly and ghoulish as possible. When placed in the context of group fun and under the control of children themselves, scary monsters become less frightening.
